

Hands-free magnification with adjustable headband.

Visor tilts up for normal viewing.

OPTIVISOR® & OPTILOUPE®

OptiVISOR® is a precision binocular headband magnifier which permits unrestricted user efficiency while reducing eye strain - leaves both hands free and allows three dimensional vision - Used by anyone whose profession or craft requires close accurate work - Can be worn over prescription or safety eyeglasses.

**OptiVISOR® is equipped with these unique features:**

- Optical Glass Prismatic Lenses - Ground and polished to precision optical standards - bevel edged and mounted in interchangeable plastic frame.
- It tilts - Adjustable pivots allow the visor to be tilted out of the way when not needed and at your fingertips when you need magnification.
- Adjustable Headband - Conforms to fit all head sizes - fabricated from a special blend of lightweight material - comfortable when worn for long periods of time.
- High Impact visor - Provides a tough, durable, always new appearance.
- Genuine Leather Comfort Band - Padded with orthopedic felt adds to comfort.

**Order OptiVISOR® in any of these six lens options:**
